

Open & Agile Smart Cities 1st Wave March 16, 2015

The 31 cities from 7 countries from Europe and Latin America listed below have signed the OASC Letter of Intent and will be presented during the announcement at CeBIT in Hannover, Germany on Monday, March 16, 2015.

The OASC initiative is governed by the Open & Agile Smart Cities Task Force, overseen by the Connected Smart Cities Network Board.

Two documents are the foundation of the OASC initiative: the Background Document and the Letter of Intent.

Please refer to www.connectedsmartcities.org for further information, including these documents.
